# *Dedication*

We, the graduating class of Armijo, in the year  
nineteen hundred and forty-five  
humbly dedicate this annual to the  
Armijo boys and girls in the service  
of their country  
in honor of those who are  
awaiting deliverance in prison camps  
in honor of those "missing in action"  
and to the sacred memory of those  
who have given their lives  
that our country may remain free  
and  
that Armijo Union High School  
may continue to exist  
for the purpose  
of educating generations to come.

The class of 1945 is the first to have attended Armijo throughout the entire duration of this second and world-wide emergency. The class is the smallest one to graduate since Armijo burned in 1930. There are only 37 members of the class as compared to 80 members when the class entered Armijo four years ago.

The entire class has cooperated; and, as a result, has had good luck in putting over several successful school activities. The publication of the annual *La Mezcla* has been extremely difficult, and only by the combined efforts of the staff members has the year book come into being.

The outstanding event the graduating class handled was the Junior Prom of 1944. The dance was a tremendous success and the decorations were very effective. The Christmas dance of 1944 comes in as a close second. With a great deal of effort there was a well attended dance, and an orchestra was obtained for both of these affairs.

There is not a very bright future awaiting the graduating class as the armed forces seem to be the only destination for the Senior boys of Armijo. This class of 1945 hopes that classes in the future will have a peaceful world to look forward to.

## Dramatics

Another Senior play was added to the roster of the Dramatics Department. The play was the sparkling comedy, "June Mad." The plot of the play was fascinating; it revealed the madness that the younger generation goes through when they fall in love. The production proved to be one of the most successful three-act comedies ever presented in the Armijo Auditorium.

A group of well-trained students gave a refreshing touch to the juvenile comedy. The Senior play has long been a tradition at Armijo, and it is looked upon as one of the highlights of the season. Extensive training is given the students before they are cast in such a production. One-act plays were worthy preparation for the Senior play.

"Yours and Mine" was the first in the one-act series. The play dealt with martial difficulties. Booth Tarkington's "Trysting Place" gave a classical touch to the one-act group. The play depicted the adolescent love of a young man for a woman much his superior. The third play was the clever comedy "The Vane Effort," involving a prize-fighter, a reporter, and a young girl. This last play gave a brilliant ending to the entertaining group.

The cast of the Senior play, "June Mad," is in full:

## Block A Society

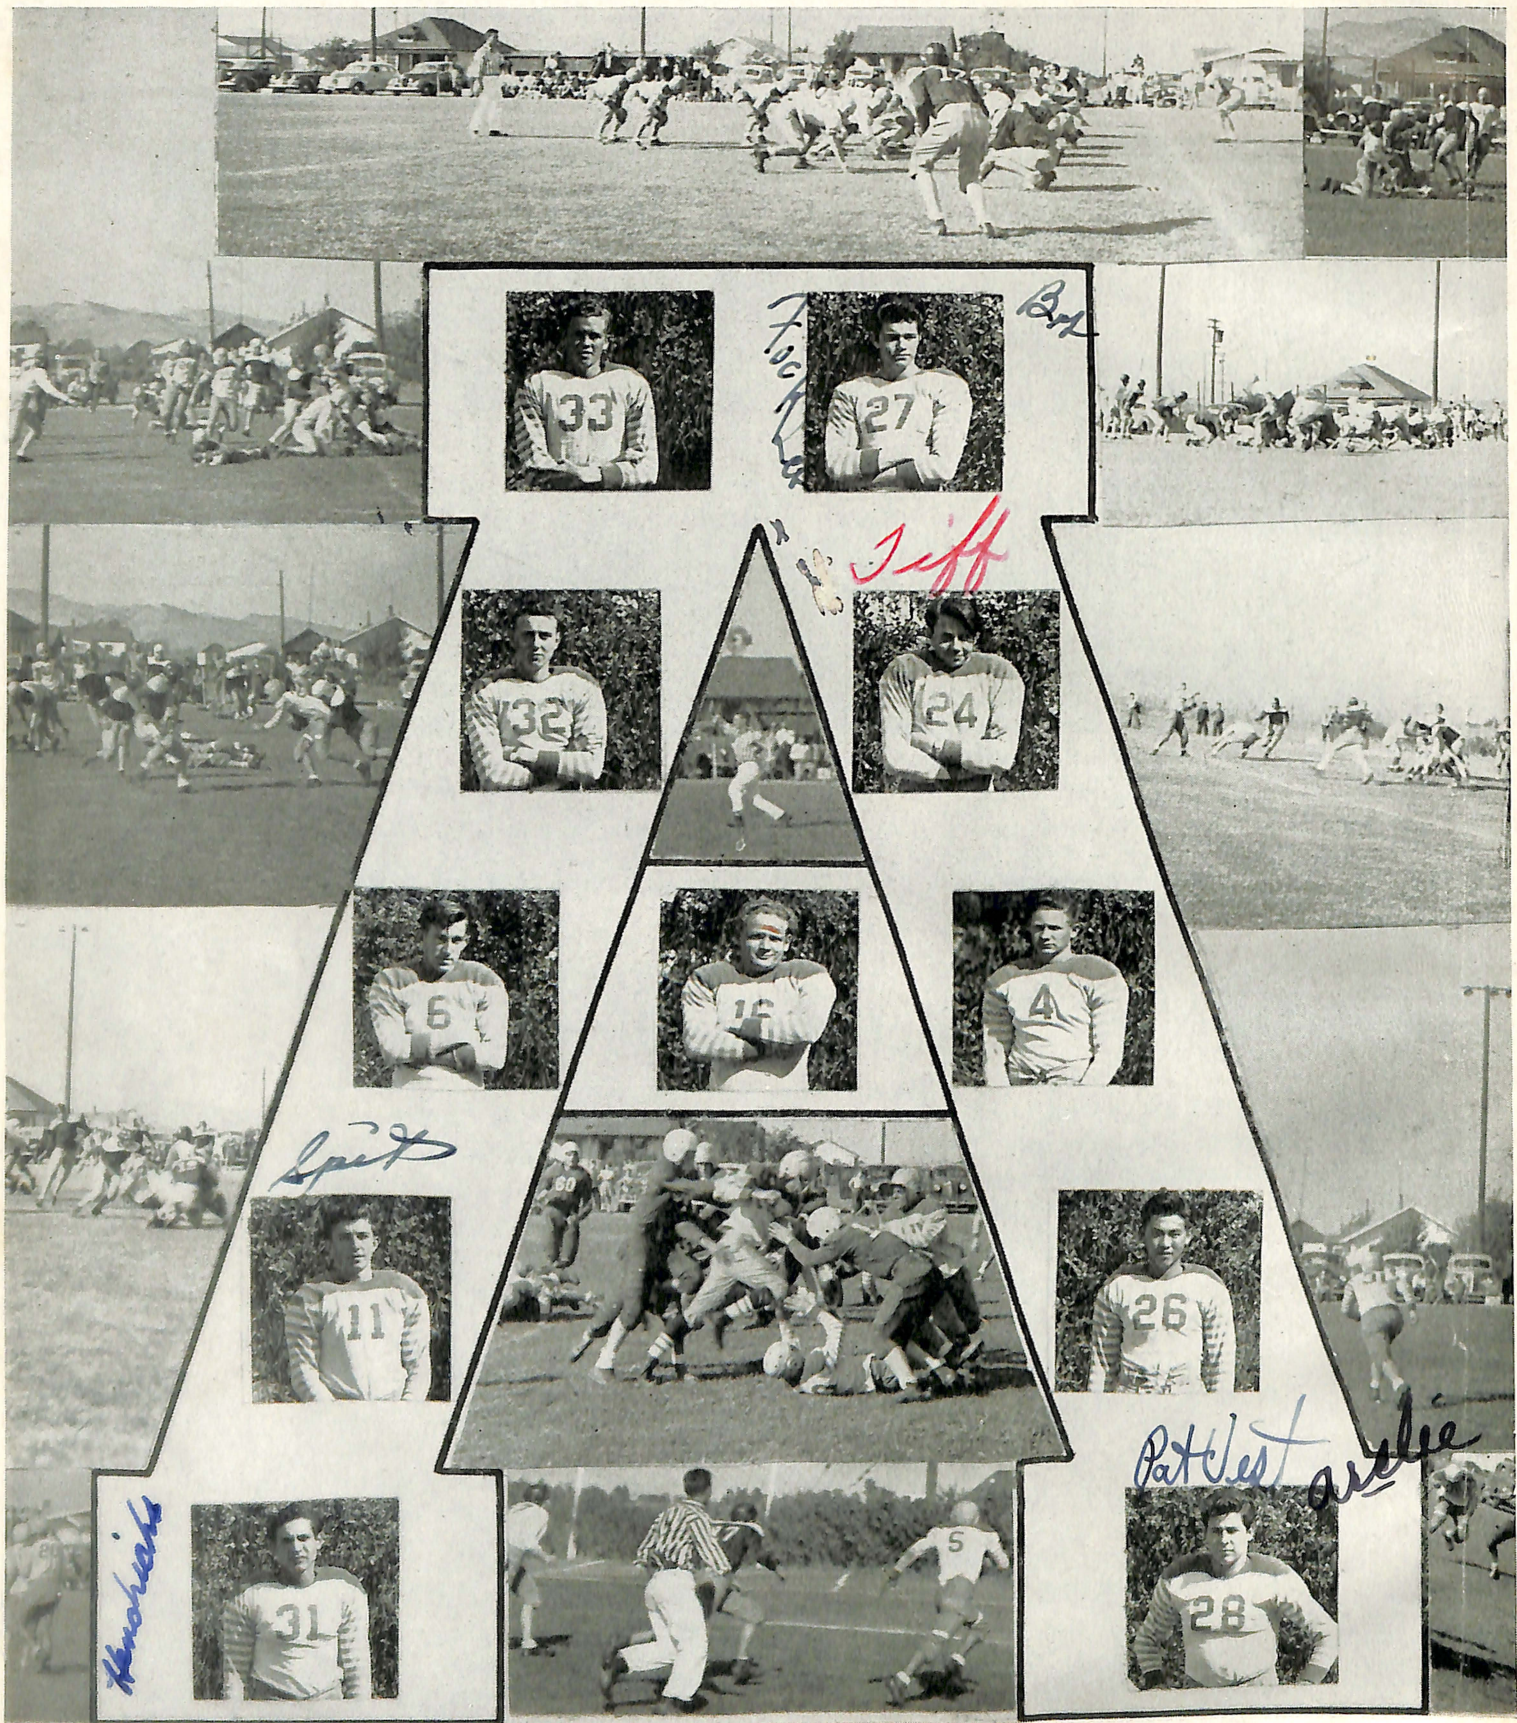

The activities of the Block A Society were limited this year due to the presence of the war as well as a new coach. In meetings during the year the Block A Constitution was debated and amended. One of the most important changes was, that in order for a boy to make a letter in football he had to appear in five quarters of the league games, rather than four quarters as before.

At this point we wish to mention a few of the most important facts concerning the standards of this society.

This society was created mainly for the purpose of promoting good sportsmanship. Contrary to popular belief, the earning of a letter in a sport is not the only qualification of admittance to the society. When a boy earns a letter he will be admitted to the organization only on approval of the coach as well as the principal. In order for a boy to remain in the Block A he must pass in at least three solids or units in his school work.

So, to the students who will one day carry on this society, the class of 1945 hope you will follow and uphold the good reputation as well as the constitution of the Block A Society.

After walloping Dixon in their first game, the Armijo Varsity dropped the next three games. In the last three games the Indians got on the ball, ending the season with a won three, lost three, and tied one standing while finishing second in the league.

## Armijo 43 Dixon 0

In their first game of the season the Indians roll over a bewildered Dixon eleven with ease. Hendricks scores five touchdowns.

## Armijo 0 Vallejo Ramblers 14

After hanging on for two quarters the Indians gave way to a fast moving Vallejo outfit. The Vallejo scat-backs prove too hard to catch.

## Armijo 0 St. Helena 13

The Saints come through with two last minute touchdowns after being pushed around for three quarters. The Indians can't get used to their first night game.

## Armijo 7 Benicia 12

The S.S.S.C.A.L. champs barely eke out a win over a fighting Indian squad. Okell intercepts pass for only Armijo score.

## Armijo 0 Vacaville 0

In the game of games the Indians and the Bulldogs are deadlocked after four quarters of the hardest football yet seen this year.

## Armijo 13 Rio Vista 0

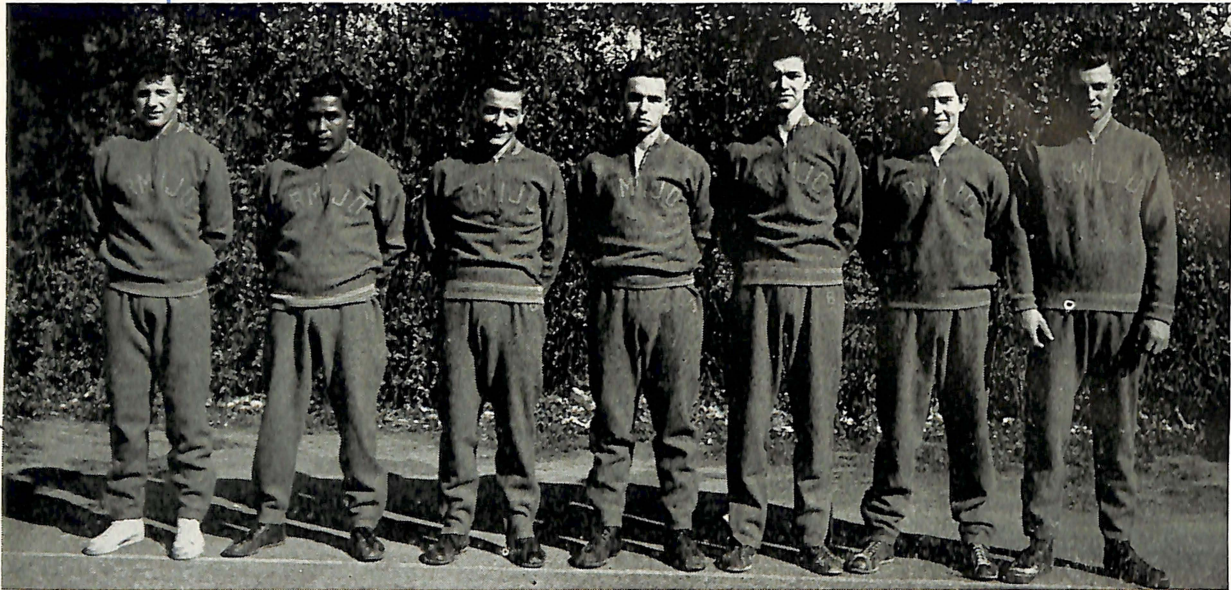

The Indians pass the Rams dizzy in the biggest upset of the season. The game was played on Rio's soggy field with Charlie Lum in the spotlight.

## Armijo 24 St. Vincents 6

On a field resembling a swimming pool the Braves gleefully wade over a hapless St. Vincents varsity. The passes do it again.

# Varsity Basketball

LEFT TO RIGHT: H. Dodini, L. Ramirez, C. Hall, T. Coffey, B. Fockler, P. Vest, B. Bidstrup.

## CLASS A BASKETBALL

The Armijo Varsity experienced one of the poorest seasons in five years, winning only one game and losing ten. For the five practice games the Varsity used a close man-to-man defense. They only managed to win their first game with this type of play so at the start of the league games they used a zone defense which later proved to be one of the best in the league. Their offense, however, lacked aggressiveness and players with experience. Players on the "A" squad were: Hall, Garcia, Vest, Bidstrup, Fockler, Bonifacio, Coffey, and Tomasini. The starting five, with Hall as captain, were Bidstrup, Hall, Garcia, Fockler and Bonifacio. The following is a summary of the league games played by the Varsity:

### - Armijo 18 Rio Vista 22

Armijo using a zone defense for the first time gave Rio plenty of trouble. The game was close all the way through.

### Armijo 21 Benicia 25

The Indians' offense showed improvement and their defense tightened. Benicia won out in the closing minutes of play.

### Armijo 26 Vacaville 28

Armijo's first league game, played away from home, found their defense reliable and their offense almost equal to that of the Bulldogs, fair. This game was lost in the closing minutes of play.

### Armijo 20 Rio Vista 32

The Indians met disaster when they traveled to Rio Vista. The Rams worked through our defense for most of their points. Armijo's offensive was poor.

### Armijo 25 Vacaville 27

This game was perhaps the most thrilling game the Varsity played all season. The score was tied at the end of the fourth quarter, carrying the contest into a three minute overtime period in which the Bulldogs nudged ahead and remained in the lead until the final whistle.

### Armijo 24 Benicia 50

The Indians played their last game on the Panthers' court in Benicia. The Indians fell apart in the second half and made one of the poorest showings of the season. Playing their last game for the Varsity were Bidstrup, Hall, Fockler and Coffey.

# "B" Basketball

LEFT TO RIGHT: G. Farrell, A. Athey, C. Lum, R. DeGracia, L. Scholl, H. Serrano, F. Hendricks.

## CLASS B BASKETBALL

The Armijo "B's," coached by Lee "Red" Walker had a very good season, winning four out of five practice games and five out of seven league games. The B's used a new type of play introduced into this league by "Red" which proved successful. Our "B's" showed their power by defeating the Dixon Rams to the tune of 83 to 17 in their fourth practice game. Players for the "B" team were: Farrell, Serrano, De Garcia, Lum, Athey and Scholl. Farrell was elected captain of the squad. The league games were as follows:

### Armijo 40 Rio Vista 12

The Braves started the league by winning over the Rams in a fast and furious contest played on Armijo's hardwood.

### Armijo 44 Benicia 8

The Indians again won an easy victory. Our lads turned in a fine performance, and their new type of play again resulted in triumph.

### Armijo 26 Vacaville 41

The B's lost their first league game of the season to a strong and fast Vacaville quintet played on the Bulldogs court in Vacaville. The Vaca lads took an early lead and held it resulting in a victory for them

### Armijo 31 Rio Vista 17

Our B's again showed their ability to play the hoop game by defeating Rio Vista on the Rams court. The game was close until the last half when our boys broke loose with everything they had.

### Armijo 32 Vacaville 29

The B's more determined than ever, defeated the Bullpups on our own court in a close and breath taking game. In the fourth quarter with five minutes to go, the score was tied and only four men remained on the court for our B's. This was due to fouls. As a result of clever teamwork they stuck together and won.

### Armijo 58 Benicia 15

Our Indians had to travel to Benicia to beat the Panthers this time. The B's won an easy victory and Benicia was unable to check our fast-breaking offense.

### Armijo 31 Vacaville 40

Playing on a neutral court for the S.S.S.C.A.L. championship our B's lost to Vacaville in a three minute overtime period in Rio Vista. The score at the end of the game was 29 to 29. Captain Farrell and Henry Serrano played their last basketball game for Armijo.

M. PEREZ

LEFT TO RIGHT: J. Bonifacio, M. Perez, J. Alameda, A. Faria, W. Magill, W. Sabino.

## "C" Basketball Team

### S. S. S. C. A. L. CHAMPS

The Armijo C team had a very successful season this year by winning 11 out of 12 games. The C's won the S.S.S.C.A.L. Championship, but lost to Davis for the county title. The boys who made up this team were: Magill (Captain), Bonifacio, Perez, Sabino, Alameda, Brown, Thom, and Faria.

#### League Games

##### Armijo 12 Rio Vista 11

The C's undefeated in five practice games went on to defeat Rio in their first league game. Both teams looked good and in the final minutes our C's shot ahead and won.

##### Armijo 18 Benicia 17

The Papooses really played ball this game and rambled over a fair Benicia quintet on our court. Our hoopsters were on their way to the championship.

##### Armijo 18 Vacaville 16

Another classy game for the C's and against a tough team. Our boys broke loose in the last quarter and had the game under control the rest of the way.

##### Armijo 14 Rio Vista 9

Winning this game gave our Papooses the S.S.S.C.A.L. Championship. The C's proved their skill by whipping a fine Rio Five.

##### Armijo 14 Vacaville 12

Another classy game for the C's and another victory. This game was a thriller from start to finish. Our boys broke loose near the end of the fourth quarter to win.

##### Armijo 41 Benicia 10

The Indians ran over the Panthers again, and this time on their own court.

##### Armijo 10 Davis 13

The C's played the Davis Devils on Dixon's neutral court for the S.C.A.L. championship and lost in the final seconds of their last game of the season. It was a hard game to lose.

## G. A. S.

This year the Girls' Athletic Society was officiated by Louise Cherimisin, President; J'nell Moore, Vice-President; and Marge Larson, Secretary-Treasurer.

The year was started off with a bang by initiating the new girls who had earned 250 points. Within these 250 points the girls were also able to wear the G.A.S. sweater which has from one to three stripes on the sleeve, depending upon the number of points earned. One stripe denotes 1,000 points, two stripes 1,350 points, and three stripes 1,450 points. With 1,350 points the girls are also eligible to wear a small gold G.A.S. pin which is awarded at the end of the term. Other awards are given, such as numerals for 250 points, a small block A for 500 points, and a large block A for 900 points. These points are earned by participating in games throughout the school year.

## Girls' Sports

With Miss Dorothy Evans as our new Physical Ed. instructor, the 1944-45 girls' sports season opened with great enthusiasm with the prospect of a semester filled with many exciting games. Basketball was first on the list; and, with plenty of helpful hints on the side from Coach Evans, the girls were taught the technique of good basketball. Managed by our skillful and efficient Wilda Lewis, interclass basketball games commenced, with the Juniors emerging as the victors in the biggest game of the season—the Senior vs. Junior game. While the Juniors howled their victory cries, the defeated Seniors sat dejected in a corner, handkerchiefs wet with tears of sorrow. After having played this last game of the season, a Varsity team consisting of the following girls: Marge Larson, J'nell Moore, Donalene Smith, Louise Cherimisin, Wilda Lewis, Beulah Conley, Frances Low, and Ina Clare Freitas was chosen. An All-Star team was also chosen consisting of the following girls: Rose Ware, Joyce Hopkins, Virginia Rosenau, Amparo Cruz, Lyla Browning, Presenta Ruiz, Pauline Lee, Ida Cignetti, Sally Escano, and Jerry McGee.

For the first time in four years the girls of Armijo played basketball with the girls from Vacaville. It was not an intermittent game; the girls were intermingled, causing much excitement and confusion until the players grew accustomed to the "set-up." We, the "Squaws" of Armijo, were glad to participate in the promotion of goodfellowship between the rival schools.

Due to the early printing of our La Mezcla this year, we are unable to include information concerning volleyball, baseball, and tennis.

"I guess I've lost another pupil," said Mr. Spohn as his glass eye rolled down the sink.

A gentleman was much surprised when the good looking young lady greeted him by saying, "Good evening." He could not remember having met her before. She evidently realized her mistake, for she apologized and explained: "Oh, I'm sorry. When I first saw you I thought you were the father of two of my children." She walked on, while the man stared after her. She didn't realize, of course, that he was unaware that she was a school teacher.

A canny Scott was engaged in an argument with the conductor as to whether the fare was to be five or ten cents. Finally the disgusted conductor picked up the Scott's suitcase and tossed it off the train. Just as they were crossing a long bridge, it landed with a mighty splash. "Hoot, man," screamed Sandy. "First you rob me and now you've drowned my boy!"

Women are a funny race,  
They curl their hair and paint their face.  
They change their styles so often that  
Last year's hat is not a hat.  
They sleep all A.M., dance all P.M.,  
Go to games, never see 'em  
They spend the stuff so very well,

Yet man, too is a funny race,

# Our Tomorrow . . .

On looking into the future 10 years hence, we find the Class of '45 well on the road to fame and fortune. The outstanding achievements of this class are listed here for posterity.

Tessie Avila, the most talked of woman paper hanger and pencil sharpener of the year, has further extinguished herself by becoming the bride of Bob Fockler, the boy voted most likely to go to seed of his class. Bob has been a bachelor all these years, but finally broke down and proposed when he learned Tessie was also an expert cigarette roller. It remains to be seen whether the marriage will be lost when the cigarette shortage is over.

Journeying down to Little America, we find Lloyd Grotheer, a popular piano tuner for Dorothy Eaton's Penguin Follies. Nancy Roney is the director of a song and dance number performed by Rose Ware.

Also on the list of the socially "elite" are Collie Blossom and James McAlister, the curly-headed geniuses who first presented "Glup" to the public. "Glup" is a combination sun-tan oil and asthma remedy, and spelled backwards it becomes "Pulg." Collie and Jimmy made their great discovery while experimenting with salad dressings.

Speaking of dressings, J'nell Moore and Joyce Hopkins were recently voted best dressed women in the "Sunlight and Air for All" nudist colony. When asked to dance recently, Joyce and J'nell confessed they didn't have a thing to wear.

Donalene Smith and Bill Smith found themselves to be 63rd cousins twice removed at a recent family reunion. Dorothy Rodriguez, Bill's 16th wife, finally ran him off to look for his 17th wife with her incessant flow of chatter.

The famous coloratura opera star, Shirley Horgan, met with a terrible death when she swallowed her tongue in a vain effort to reach high C. Shirley's death is deeply mourned by her many friends.

Phyllis Kidder and Clarence Thompson make it a daily practice to share a popcorn ball while attending classes at the Pebblefeller Foundation. Their lecturer is the famous bath-tub boxer, Warren Levy. He is so called for his ability to give his opponent a good scrubbing before leaving the ring.

Terry Hall was recently given the position of assistant barber at Mankas Corner. The manicurist at Presly Jones' Tonsorial Parlor is Joyce Torrence, who has just removed one fingernail from John Tim's other hand.

John Tim, the Gloom-Crooner of the Gut-Bucket Five, was recently named as correspondent in a divorce action brought by Bill Bidstrup against his wife Virginia Rosenau. Bill claims that Virginia receives daily phone calls from John. Arnold Erickson, the famous Suisun City Shyster, will defend Virginia on the grounds that the Bidstrups have no phone.

Tom Coffey and Bert Maxwell, having taken over the Maxwell Coffee Company, recently took a trip to China, where they met Rose Ann Petersen. Rose Ann went to China a few years ago to participate in a kite flying contest and is still up in the air about losing.

Billie Covington and Marilu Morgan, having completed courses in judo and ju-jitsu, have taken positions as body-guards for Marge Larson, whose new production, "The Plug and the Socket," has taken Broadway by storm. The play is about a man who receives the shock of his life when told that his views on current events are all wet.

Incidentally, Gene Blanc is well on the road to fulfilling his mother's dream of becoming President of the United States. He is planning to run against Roosevelt next term. Gene has received world wide recognition for his famous Sweetheart Soapbox orations.

Colonel Newton Phillips recently conducted a lion hunt, in the deep jungles of darkest Africa, and found the long lost missionary, Beatrice Hagar, and her close friend and companion, Betty Donovan. The two people told of narrow escapes from Henry Serrano and his band of head hunters. Bea and Betty told of one particular time when they were rescued from a quicksand pit by the Phantom, who came galloping to the rescue on a horizontally striped zebra. The zebra was later captured and sent to Sing Sing prison, where it is being used by fashion designers in an effort to create a new spring suit for the inmates.

Louise Cherimisin and Jean Harper are still repairing damages caused the other day when a fire horse entered their reducing establishment and refused to be put out. The excitement caused by the interruption proved to be a better reducing method than any yet found, and Louise and Jean intend to make it a daily routine. Their comment, "Most Enlightening."

Bessie Carrion, multi-millionaire and glamour girl of New York's 400, was recently rated No. 1 pin-up girl by patrons of the Stork Club. She was also voted this honor by the West Side Maternity Ward.

Gordon Farrell, internationally known cow-puncher and holder of the famous "Stirrup Cup," added to his laurels by defeating Bud Mangles in a walking race. Bud, a much sought after ping-pong ball tester, was disqualified when it was learned his nose was running. As a reward, Gordon is now situated for the next ten years as low man on a totem pole.
